**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a water and sewer customer of Carolina Water Service, Incorporated in the Maple Grove subdivision in Lexington, SC. I am considered part of the "I-20" water system, am a "Water Distribution Only" customer, and a standard sewer customer.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

The "pass through" mechanism is unfair and should be changed in the new rate structure - specifically customers should only be billed for the gallons ~~that~~ West (aka. water) that pass through their individual meter and only at the rate that WestCo. charges CWS. I should not be paying for water used for WWTP. I should not have to pay for water treatment plants and facilities since I already pay WestCo. for that in the supply charge.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)

I am unable to take time from work for testimony. Which I also think is unfair to have a hearing at 10:30 in the morning when most of CWS's customers are at work.
